TRIBUTES

TRIBUTE FROM THE FAMILY

It is with sorrow we have to say good bye to you dad! You have been a pillar of guidance, correction and a source of strength

You have been the best Dad we could ever ask for you always encouraged us to be united, supportive and loving one another. We pray God's guidance to always follow your instructions and live happily as you always wished for us

Though you are no longer with us, your love and values will continue to live through us. We will cherish your memory in the way we care for each other and honor the family you built. Your legacy is not just in words but in the lives you shaped and the hearts you touched. Rest peacefully,

Dad — your presence will forever be felt in our lives.

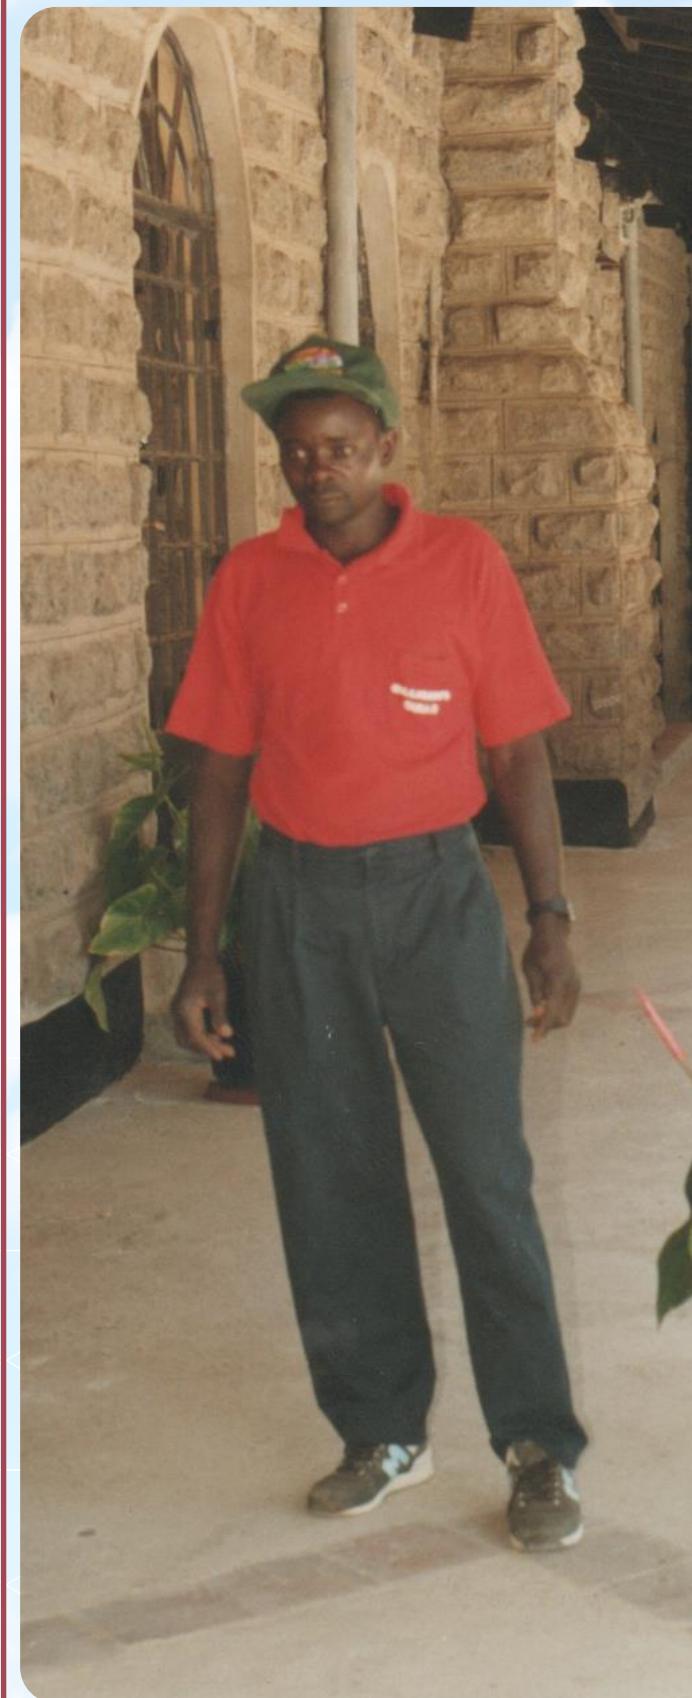

TRIBUTE FROM GRANDCHILDREN

Guka, you were a truly great man. You cared for us deeply and always encouraged us to work hard, especially in our education. Your support and guidance meant so much to us.

You were always present in our lives, and your love brought the family together.

We will forever cherish the time we spent with you and the lessons you taught us through your words and actions. You will always hold a special place in our hearts. We loved you dearly, but God loved you more.

Farewell, Guka. May your soul rest in eternal peace.
